

R.W. Griffin Industries, LLC

CONSIDER 18-0-0-3 AS YOUR NITROGEN SOURCE

A Proven Performer For Decades

Contains Nitrate – N for Fast Green-up

Contains Ammonium – N for Top Growth

No Risk of Nitrogen Loss by Volatilization

Contains Sulfur (S) for Top N Performance

18-0-0-3 ... Your Low-Cost N Solution

NO₃- (Nitrate) NITROGEN NH₄⁺ (Ammonium)

FORAGE GRASSES NEED IT ... for:

High Grass Yields

High Quality Livestock Feed

Rapid Regrowth After Harvest

LIVESTOCK NEED IT ... for:

Increased True Protein Content

Full Season Forage Availability

CATTLEMEN NEED IT ... for:

Dependable Feed Supply

High Daily Calf Weight Gain

Optimum Profitability

BALANCE NITROGEN USE ... with

Sulfur (S) for plant protein formation

Potassium (K) for efficient plant N use

Phosphorus (P) for deep root systems

Magnesium (Mg), P, K, & S for photosynthesis
